*** What is the Personal Property Tax Relief Act?**

The Personal Property Tax Relief Act of 1998 provides tax relief for passenger cars, motorcycles, and pickup or panel trucks having a registered gross weight of less than 7,501 pounds. To qualify, a vehicle must be owned by an individual or leased by an individual under a contract requiring the individual to pay the personal property tax; AND be used less than 50% for business purposes. Motor homes, trailer and farm use vehicles do not qualify for tax relief.

*** Does your vehicle qualify for Car Tax Relief?**

If you can answer YES to any of the following questions, your motor vehicle is considered by State Law to have a business use and does NOT qualify for

- Is more than 50% of the mileage for the year used as a business expense for Federal Income Tax purposes OR reimbursed by an employer?
- Is more than 50% of the depreciation associated with the vehicle deducted as a business expense for Federal Income Tax purposes?
- Is the cost of the vehicle expensed pursuant to Section 179 of the Internal Revenue Service Code?
- Is the vehicle leased by an individual and the leasing company pays the tax without reimbursement from the individual?

If you fail to indicate whether business or personal status on a vehicle, the vehicle will not receive a qualifying status.
