

2008 Transportation Bond Referendum Projects Underway January 2015

PROJECT	Mountain View Road Safety Improvements - Phase I
Description	From 0.25 miles west of Joshua Road (SR-643) to Rose Hill Farm Drive (SR-1245) - Project Length = 1.3 Miles.
Budget Amount	\$7,550,000
Projected Completion Date	July 2015
Recent Activity	Temporary roads are paved and open to traffic so work can continue on the roadway realignment. A waterline relocation is underway.
PROJECT	Brooke Road Safety Improvements
Description	Safety improvements on Brooke Road between Eskimo Hill Road and Stagecoach Road.
Budget Amount	\$6,500,000
Projected Completion Date	June 2016
Recent Activity	Property acquisition efforts continue.
PROJECT	Poplar Road Safety Improvements Design - Phase II
Description	Improvements from 0.17 miles north of Truslow Road (SR-652) to Intersection of Cedar Crest (Private Lane) Project Length = 0.6 Miles.
Budget Amount	\$2,100,000
Projected Completion Date	October 2016
Recent Activity	A bid for construction services was issued with a response this month.
PROJECT	Poplar Road & Mountain View Road Intersection Safety Improvements Design - Phase III
Description	From the intersection of Poplar Road and Mountain View Road 0.09 miles north and 0.27 miles south along Poplar Road and 0.1 miles east along Mountain View Road - Project Length = 0.46 Miles.
Budget Amount	\$1,500,000
Projected Completion Date	October 2016
Recent Activity	Right-of-way plans are approved by VDOT.
PROJECT	Garrisonville Road Widening
Description	Public-Private Transportation Act (PPTA) and 2008 Transportation Bond Referendum project. Garrisonville Road (SR-610) from Onville Road (SR-641) to Eustace Road (SR-751). Improve this link to a six-lane wide standard VDOT urban collector; implementing a 15' wide raised median and standard 11' lanes. A 5' wide sidewalk on each side of the road to provide safe pedestrian accommodations - Project Length @ 1.0 Miles.
Budget Amount	\$13,765,478
Projected Completion Date	June 2017
Recent Activity	Right-of-way plan review continuing with VDOT.

PROJECT	Truslow Road Reconstruction
Description	Public-Private Transportation Act (PPTA) and 2008 Transportation Bond Referendum project. This project will reconstruct Truslow Road between Berea Church Road and Plantation Drive. A new roadway alignment will be constructed approximately 200' south of existing Truslow Road in order to eliminate the sharp curves and avoid residential relocations.
Budget Amount	\$6,267,056
Projected Completion Date	January 2016
Recent Activity	Request for a public hearing for right-of-way acquisition will go before the Board next month.
